## About Me

Highly motivated and results-driven professional seeking a challenging position where I can utilize my skills and expertise to contribute to the success and growth of a dynamic organization.

## Experience

### Web Development

**Coincent With ArIES IIT, Roorkee, Virtual**

**Nov 2022 - Present**

**Successfully completed internship project developing login page for doctor's appointment app. Designed intuitive, secure interface for user access.** Utilized web development skills to deliver functional, user-friendly solution.

**Certificate of Excellence** recipient for outstanding contributions as an **Ecell Ambassador**. Demonstrated leadership, creativity, and dedication in promoting entrepreneurship. Inspired students, organized events, and fostered an entrepreneurial mindset.

### Full Stack Development

**Capabl from Elite Techno Groups, Virtual**

**20th June 2023 - 20th July 2023**

Successfully completed a **one-month Full Stack Development internship** at **Capabl(fom Elite Techno Groups)**.

Build a captivating Hangman game in Python and also developed an Online Bookstore in java. Also achieved a Certificate of Completion.

### Other Experiences

Completed **Python 3.4.3, C Training** and **Advanced C++** by **Spoken Tutorial, IIT Bombay**. Demonstrated proficiency concepts through successful completion of the test.

## Positions of Responsibilities

◆ **Design and Content head at Swarajya Club** (Marathi Literary Association), a prominent organization at VIT Chennai. I am responsible for overseeing the design aspects and content creation for various events and initiatives organized by the association.

◆ I am an active member of the **Code Chef club** at VIT Chennai. Within the club, I specifically contribute to the **Competitive coding** and **Design** department.
